Now is the time to join forces to make safe staffing and fair pay for nursing a reality.

Meet up with other nurses and nursing staff who work in and around Bristol online to find out the latest actions you can take in the RCN #FairPayForNursing campaign.

As everyone has discovered over the pandemic, nursing is worth its weight in gold. You deserve pay commensurate with the skills, knowledge and bravery required of you to carry out your role.

To book online go to the events at www.rcn.org.uk/southwest (events tab). Otherwise email eventsreg@rcn.org.uk or call 02920 02920 546 460 and quote the specific event number.
