Welcome to the RCN e-library.

- Use the menu on the left hand side to go to databases to search.
- We recommend you start your search for journal articles on British Nursing Index (BNI), which you will find in [Databases to search](#). Within BNI you will find a link where the full-text of an article is available, and we offer postal photocopying for articles that are not available on line many of which are available in our libraries. Go to: [Borrowing and services](#)
- You can browse e-journals by title, more than 700 titles are available full-text for members, including Journal of Advanced Nursing.
- Select e-books for over 300 titles.
- Select FAST for live literature searches on popular topics. We have prepared searches on BNI to save you time and give you fast access to information.
