Date of event: / /

Name of delegate: _____

Gender M F

Key objectives/purpose of this workshop

This workshop aims to give health and social care practitioners time to think about how they deliver nutritional care in their organisation and time to action plan to aspire to excellence.

Specifically this workshop will focus on:

1. Enhancing awareness of the threat that food and nutrition can have on patient safety issues
2. Promoting effective nutritional screening
3. Promoting the implementation of the principles of protected mealtimes

1. This workshop was successful in achieving the key objectives/purpose of the event (please tick)
