

**RCN INTERNATIONAL NURSING RESEARCH CONFERENCE
TUESDAY 8TH TO FRIDAY 11TH APRIL 2008**

**Conference delegates planning to arrive early in Liverpool
are invited to an
international wine and cheese¹ tasting event
Monday 7th April 2008 from 7.00 pm to 9.00 pm
The Adelphi Hotel, Liverpool**

There is no need to worry about feeling alone in the city of Liverpool, a world in one city! This event aims to ensure that anyone arriving early for the conference is given a warm welcome to Liverpool and the RCN International Nursing Research Conference.

Delegates can meet and get to know one another in a relaxed and informal environment. Sponsored by Liverpool John Moores University, the event will be hosted by the local organising committee.

We can help you network with like-minded delegates, find your way around the city; identify places of interest and the best places to eat during your stay in our historical, multicultural city.

We extend a warm welcome to delegates to Liverpool and hope to make your conference experience as memorable and as pleasant as possible.

To reserve your place, please email: research@rcn.org.uk

¹ Please note that both vegetarian cheese and non alcoholic drinks will be available
