

TWO TRADE MARKS LADIES SHOULD KNOW.

This Trade Mark branded upon Goods is a guarantee that they are of the fastest possible dye, and of such colours as will stand travelling by land and sea. The sun cannot fade, nor mud spoil them. Unlike other fast dyes, which are limited to Black, Navy Blue, and Cream, the "S.S." Dye can be applied to a large range of useful colours.

This Trade Mark is stamped upon goods waterproofed by a new and superior process, by which the heaviest cloth mantle or the finest silk cloak are made absolutely water repellent, while remaining perfectly porous to the air.
