

TABLE A.

Single, Yearly, Half-Yearly, and Quarterly Premiums for the Purchase of a Deferred Annuity of £10—payable by half-yearly instalments of £5—to be entered on at the age of 65, 60, 55, or 50. The first half-yearly payment will be made six months after the attainment of the age selected, the Premiums ceasing on attaining the age at which the Annuity commences.

PREMIUMS NOT RETURNABLE.

These are quoted as a matter of custom; but Nurses are not advised to join under this Table except under special circumstances, as the premiums are not returnable if the Nurse, for example, dies before her annuity becomes due.
