

Cake with Flowers on Top. Rich Buffet Cake, Sultana Cake, Persian Cake, Birkbeck Cake; all of which bear every possible test as to quality, &c. They are well baked, absolutely pure, delicately flavoured with pure flavourings, and can be given to invalids, children, or delicate persons without the slightest fear. We have high praise indeed for the care Messrs. Peek, Frean and Co. have devoted to this particular branch of manufacture.

VINOLIA "PREMIER" TOILET SOAP (Blondeau

et Cie, Ryland Road, London, N.W.).—This is a soap introduced by the well-known Vinolia Preparations manufacturers, and is sold at fourpence per tablet, thus bringing it within the reach of every user of soap. We have placed the "Premier" Soap under thorough microscopical and chemical examination, and find it is what it purposes to be—i.e., "creamy, emollient, fragrant, and delicate." It is admirably adapted to the most sensitive skin, and we cordially recommend it as one of, if not the most perfect, soap in the market.
