"Dear Sir,—I enclose you a photo of our baby girl, Dorothy Gentle, she having been fed on your Food for the last twelve months. Being obliged to resort to the feeding bottle, I was recommended your Food by a friend of mine. The photo was taken when she was six months old, and I think you will see by the condition of the child it will speak well for its excellency. I have always persuaded my friends to use it, as I am sure it cannot be too highly recommended for infants.—Yours faithfully,

"AUGUSTUS GENTLE."
