

What next for your pay?

In March, 77% of RCN members rejected the 4% pay offer for 2021-22. Manx Care have awarded this offer but it has not been finalised. We are now consulting with you on a further offer from Manx Care for 2022/23 plus gathering your indicative thoughts about industrial action. It's important you have your say again to support negotiations.

The ballot will run from 9am on 11 July 2022 - 2pm on 26 July 2022.

Fair pay is vital to improving staffing levels and providing safe care to patients.
