

## Sponsorship Form

I am taking part in a sponsored activity in aid of the RCN Foundation – a charity that exists to support and strengthen nursing and to improve the health and wellbeing of the public. The money raised will help the RCN Foundation support nurses, midwife, and healthcare assistants by providing grants to those who are facing hardship, or who want to enhance their skills and develop their practice. The RCN Foundation invests in the profession by funding nursing-led projects and championing nursing by supporting projects that raise the profile of the profession and highlight the contribution that nursing, and midwifery makes to improving the nation's health.

By submitting this form you agree to us recording your details on our database. We may contact you by phone or email to tell you about how you can get involved with future fundraising events. Your details will be kept securely and will not be shared, swapped, or sold with any third party. View our full privacy policy [here](#).

If you do not want to be contacted, please tick this box.

**We will not store the data collected below from your individual supporters.**

**If you are a UK taxpayer, don't forget to tick the Gift Aid box!**

If you pay UK tax, the Government will give the RCN Foundation 25p for every £1 that you donate (this doesn't cost you anything extra). Please tick the Gift Aid column and provide your initial, surname and home address (including your postcode) so that your sponsorship to the RCN Foundation can go even further. Please make sure you read the statement below so that you know what Gift Aid is.

If I have ticked the box headed 'Gift Aid?', I confirm that I am a UK Income or Capital Gains taxpayer. I have read this statement and want the RCN Foundation to reclaim tax on the donation detailed below, given on the date shown. I understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.

Sponsorship money received from people connected to the participant is likely to exceed the "benefit rules" of the Gift Aid scheme, as defined by HM Revenue and Customs. We therefore may be unable to reclaim tax on sponsorship received from the following: a wife or husband, a relative (sibling, ancestor [e.g., mother], or lineal descendent [e.g., grandson]), the spouse of a relative, or a company under the control of the event runner or connected person.
