

RCN visit to Cumberland Infirmary
Thursday 5 June, from 2:00 to 4:00pm
Main entrance area

Meet your RCN support team, Senior RCN Officer Vivienne Dove and RCN Officer Gail Hodgson and discuss anything that's on your mind.

Keep your union team informed about your work conditions. We can also help with more personal matters such as saving on your weekly shop and navigating the complex welfare system to supplement your income. Stop by for a chat and hear about all the benefits we offer. There's no need to book, just drop by if you can.
