

## **RCN visit to the Freeman Hospital**

**Friday 30 May, from 10:00am to 2:00 pm**

**Main entrance**

Meet your RCN support team, RCN Officer Jill Gale and your local workplace reps, on Friday 30 May and discuss anything that's on your mind.

It's vital to keep your union team informed about workplace conditions and employment issues. We can also help with more personal matters such as saving on your weekly shop. Stop by for a chat and hear how we can help.

There's no need to book, just drop by if you can.
