

## **RCN visit to QE Hospital Gateshead**

**Wednesday 4 June from 10:00am to 2:00 pm**  
**Catering corridor**

Meet your local RCN Officer Kathryn McCreedy and discuss anything that's on your mind.

It's vital to keep your union informed about workplace conditions and employment issues.

We can also help with more personal matters such as saving on your weekly shop. Stop by for a chat and hear how we can help. There's no need to book, just drop by.
