

RCN Northumberland Tyne and Wear Branch Congress debrief

**Tuesday 23 June, 9:30 to 11:30 am,
online or at the Northern regional office, Sunderland.**

As well as hearing from organisations all around the branch area, this will be an opportunity for a debrief following Congress, and for those who couldn't attend to hear feedback from members who attended.

As well as a chance for members who attended to report back from Congress, this event will also be an opportunity to discuss any emergency agenda items that were tabled.

There will also be an opportunity for first-time attendees to discuss how Congress was and whether it met their expectations.
