RCN Dorset Branch AGM and webinar on the RCN's Equity, Diversity and Inclusion Strategy

Tuesday 26 November, 6.30 pm-9 pm, join us on Teams.

RCN members in Dorset, meet the RCN's Chief People Officer, Patricia Mbasani, who will give us a talk on the RCN's EDI strategy at 7pm. Also, support your local activists, get updated on the latest news, events and campaigns, elect a new committee and approve Dorset's reps for 2025. You can nominate yourself for the committee, as well as apply to be a fully funded voting member at next year's Congress in Liverpool. Find more information on the executive committee nomination process on the event webpage and applying to be a voting member on the RCN Congress 2025 webpages.
