**Tuesday 28 October 2025, 9:30 am - 1:30 pm**

**Postgraduate Centre, Building B20, Royal United  
Hospital, Combe Park, Bath BA1 3NG**

We have invited some expert speakers to give educational talks about their specialist areas within the hospital.

‘Back to basics’ will be focusing on the crucial topics of hand hygiene; mouth care; nutrition and infection control, the importance of which can’t be underestimated.

The AGM section of the day involves electing next year’s branch executive committee, or joining it - more on the roles available to you and how to apply can be found on the event webpage.
