Dorset branch meeting on rebanding and RCN support for NHS England and ICB changes

Thursday 8 May, 6:30am-7:30pm
Join on MS Teams - book to receive the link.

We will be discussing the job evaluation route to achieving fair pay. Most nursing staff work well over their job specifications.

We'll also take you through what support is available to members facing job uncertainty in the wake of the shock announcement that ICBs need to find 50% cost savings, and NHS England will be absorbed into the Department of Health and Social Care, putting 1000s at risk of redundancy.
