# Dorset Branch AGM

**RCN Dorset Branch  
Annual General Meeting  
3 December, 7 - 8:15pm  
Join on MS Teams - book to receive the link.**

We're welcoming your Council representative Ashleigh Taylor, RCN UK Council member for the South West, to share insights from his term in post, provide an update on key developments, and answer your questions.

This AGM will offer a valuable opportunity to:

- review the branch's activities and achievements over the past 12 months
- elect or joining the new branch committee for 2026
- discuss current priorities and concerns within the nursing community
- help shape the branch's agenda and contribution to wider RCN initiatives. (The deadline to apply for a Congress funded voting place is 7 December).

Book via the URLs or the QR code below.
