Dorset Branch AGM

**RCN Dorset Branch
Annual General Meeting**
Wednesday 5 November 2025, 5:00 pm to 6:15 pm
Join on MS Teams - book to receive the link.

This AGM will bring together members from across the county to reflect on the past year and look ahead to future priorities.

It will offer a valuable opportunity to:

- review the branch's activities and achievements over the past 12 months
- elect the new branch committee for the coming year (role info available)
- discuss current priorities and concerns within the nursing community
- help shape the branch's agenda and contribution to wider RCN initiatives.

We're also delighted to welcome Ashleigh Taylor, RCN UK Council member for the South West, who will be joining us to share insights from his term in post and provide an update on key developments at Council level.

There will be time for a Q&A session.

Book via the URLs or the QR code below.
