

**RCN Greater Bristol Branch AGM and study day  
Tuesday 7 October, 9:00 am to 4:30 pm  
Conference Rooms, South Bristol Community  
Hospital, Hengrove Promenade, Bristol, BS14 0DE**

This is a chance not only to increase your knowledge on a range of topics but also to support your local RCN activists by attending your branch AGM in person. Influence the future: elect or join your branch executive team for next year, and ratify your local RCN reps. More on the different roles up for election and how to express your interest can be found on the event webpage.

Hear about caring for people with dementia; caring for people with sickle cell anaemia; the importance of having a will; how the RCN library can help you study; living with polio and post-polio syndrome; and learning disability nursing. Refreshments will be provided.

Book your place via the event page (URLs / QR code below).
