

RCN Plymouth branch study day and AGM: awareness in action - supporting patients and ourselves

Tuesday 21 October 2025, 9:30 am - 4:15 pm

Future Inn, International Business Park, 1 William Road, Plymouth PL6 5ZD

The study day aims to inform and engage all health care colleagues on critical issues such as domestic abuse, addiction, racial equality, and workplace stress. It also provides a platform for learning through lived experience, professional dialogue, and discussions around representation and activism within the health care sector.

The AGM section of the day involves electing next year's branch executive committee, or joining it - more on the roles available to you and how to apply can be found on the event webpage.
