

RCN Diabetes Patient Care in Practice
including Plymouth Branch AGM
Tuesday 20 October 8:30 am to 4:30 pm
Foulston Park, Madden Road, Devonport, Plymouth, PL1 4NE.

Learn. Connect. Improve care.

Join RCN Plymouth Branch for a specialist study day exploring the latest approaches to diabetes care. Hear from experts in:

- Retinopathy • Foot Care • Renal Care • Nutrition • Pregnancy •
- Community and Hospital Diabetes Services •

Gain practical knowledge, strengthen your understanding of local pathways and take away ideas you can use immediately in practice.

Plus: participate in your RCN Plymouth Branch AGM – your chance to influence the future of your local branch. You're also invited to express your interest in joining the branch executive committee.

All are welcome at this free event - including non-RCN members.
Only 50 places available. Book via the QR code or URL below.
