

Virtual programme at a glance Virtual: 10(v2)

Please note: only lead presenters will be shown on the programme at a glance due to space restrictions. All co-presenter and co-author details, where provided, will be included for each session in the Book of Abstracts.

Virtual programme

Virtual programme details and timings are subject to change. Delegates will be able to download the final virtual programme from the event website together with the Book of Abstracts 2 weeks prior to the event.

Virtual platform

The virtual programme will be streamed using the Hopin platform, a leading conference platform used by RCN Events and designed to facilitate maximum interaction between in-person and virtual attendees.

Delegate interaction

Both in person and online delegates will have access to the Hopin platform to maximise interaction and to enable questions from those participating in the virtual programme.

Day 1 - Monday 5 September 2022

- | | |
|---------------|--|
| 9-10.00am | Browse the platform, networking, exhibition and poster viewing
<i>Posters will be available to view throughout the conference in the exhibition area.</i> |
| 10.00-10.20am | Welcome and introduction to the conference
Conference Chair: Professor Daniel Kelly OBE, FRCN, Royal College of Nursing
Chair of Nursing Research, School of Healthcare Sciences, Cardiff University,
Wales, UK

Welcome to Cardiff
University of Cardiff representative |
| 10.20-11.00am | Keynote presentation:
Professor Meinir Krishnasamy, Director of the Academic Nursing Unit, Peter
MacCallum Cancer Centre, Honorary Chair in Cancer Nursing, Department of
Nursing, University of Melbourne. |
| 11.00-11.30am | Comfort break – networking, exhibition and poster viewing
<i>Posters are available to view in the Exhibition area of the Hopin platform. If you have a
question relating to a poster, you can contact the presenter direct using the messaging
feature of the Hopin platform</i> |

11.30am-12.55pm **Session 1 - Concurrent papers**

	11.30 - 11.55am		12.00 - 12.25pm		12.30 - 12.55pm
1.1 Theme: Acute & Critical Care Chair:	1.1.1 Abstract number 0082 Changing critical care nurses' decision making to prevent sleep deprivation in critically ill adults. <i>Alison Hasselder, Sunderland University, UK</i>	5 Minute transition break	1.1.2 Abstract number 0174 Bereavement follow up in Critical Care at the Queen Elizabeth University Hospital, Glasgow. <i>Aileen Labram, NHS Greater Glasgow & Clyde and University of Glasgow, School of Medicine, Dentistry and Nursing, UK</i>	5 Minute transition break	1.1.3 Abstract number 0231 Registered Nurses' experiences and perceptions of patient safety in Critical Care during COVID-19. <i>Louise Stayt, Oxford Brookes University, UK</i>
	1.2 Theme: Primary & Community Care Chair:		1.2.1 Abstract number 0297 A systematic review and narrative synthesis investigating the contribution of the family carer in cancer treatment adherence in ambulatory (outpatient) settings. <i>Lenira Semedo, Cardiff University School of Healthcare Sciences, College of Biomedical and Life Sciences, UK</i>		1.2.2 Abstract number 0322 The impact of COVID-19 on the psychological well-being of Australian primary healthcare nurses. <i>Elizabeth Halcomb, Australian College of Nursing and University of Wollongong, Australia</i>

1.00-2.15pm

Lunch, networking, exhibition and poster viewing

Posters are available to view in the Exhibition area of the Hopin platform.

Please note: Poster tours are not available to view online. If you have a question relating to a poster, please contact the presenter direct using the messaging feature of the Hopin platform.

2.15 – 3.20pm

Please note: subject to confirming arrangements, this session may not be live streamed and provided as a recording later in the conference.

Panel discussion

Strategic directions for nursing research. Insights from REF and the CNO perspective.

Panel discussion with Chief Nursing Officers and REF speaker.

3.25-4.20pm

Session 2 Concurrent papers

	3.25 - 3.50pm		3.55 – 4.20pm
2.1 Theme: Cancer Chair:	2.1.1 Abstract number 0330 Co-designing a web-based resource for head and neck cancer patients - qualitative analysis from planning stage. <i>Rosemary Kelly, Ulster University, UK</i>	5 minutes transition break	2.1.2 Abstract number 0357 Study of patient acuity on an acute oncology assessment unit using an innovative acuity tool to standardise acuity measurement according to the Welsh Levels of Care in a stand-alone cancer centre. <i>Rachel James, Velindre University NHS Trust, UK</i>

2.2 Theme: Patient Safety Chair:	2.2.1 Abstract number 0346 The development of a new nurse intuition score to predict patient deterioration on surgical and medical wards: A pilot study. <i>Filip Haegdorens, University of Antwerp, Belgium</i>	2.2.2 Abstract number 0353 Recommendations for improvement following injurious fall investigations: A retrospective multi-incident analysis. <i>Ritin Fernandez, University of Wollongong, Australia</i>
---	--	--

4.25-4.55pm Comfort break, networking, exhibition and poster viewing

4.55 – 6.25pm Symposia sessions 2 & 3

Symposium 2 Abstract number 0304 Title: International nursing digital menopause taskforce: a program of research developing digital solutions to alleviate the discomfort of menopause. Lead: Professor Camille Cronin, School of Health and Social Care, University of Essex, UK			
Paper 1: Menopause in the nursing workplace: an international collaborative project. <i>Professor Camille Cronin, University of Essex, UK</i>	Paper 2: Menopause in the nursing workplace: an international collaborative project – using The Framework Method to analyse data across different countries. <i>Dr Kerri-ann Hughes, Massey University, NZ</i>	Paper 3: Menopause in the workplace – an organisation-based case study. <i>Professor Camille Cronin, University of Essex, UK</i>	Paper 4: Digital health proof of concept and prototype: Tailored response to supporting women in nursing during menopause. <i>Professor Rhonda Wilson, University of Newcastle, Australia.</i>
Symposium 3 Abstract number 0249 Title: You can't walk through water without getting wet": The psychological impact of COVID-19 on nurses and midwives in the UK; longitudinal survey; interview study and guidelines and strategies to support nursing staff during future high-stress situations. Lead: Professor Ruth Harris, Florence Nightingale School of Nursing and Midwifery, Kings College, UK			
Paper 1: The impact of COVID-19 on the wellbeing of the UK nursing and midwifery workforce during the first pandemic wave: A longitudinal survey study. <i>Professor Keith Cooper, Warwick University, UK</i>	Paper 2: Nurses' shifting narratives of front-line nursing during the trajectory of the COVID-19 pandemic: A longitudinal qualitative study. <i>Professor Jill Maben, University of Surrey, UK</i>	Paper 3: So what can we do?: Key COVID-19 challenges and development of guidelines and strategies to support nursing staff during future high-stress situations. <i>Professor Jill Maben, University of Surrey, UK</i>	Debate and discussion.

6.30pm Close of Day 1

DAY 2

Tuesday 6 September 2022

8.00 – 9.00am Symposia sessions 5 & 6

Symposium 5 Abstract number 0293 Title: Research Capacity Building Collaboration (RCBC) for nursing, midwifery and allied health professionals: The perspective from Wales. Lead: Dr Gina Dolan, Faculty of Life Sciences and Education, University of South Wales, UK		
Paper 1: Research Capacity Building Collaboration (RCBC) and the Community of Scholars. <i>Dr Roiyah Saltus, University of South Wales, UK</i>	Paper 2: RCBCWales First into Research Fellowship. <i>Ms Malissa Pierri, Cardiff and Vale University Health Board, UK</i>	Paper 3: Collaboration, partnership and impact of RCBCWales. <i>Dr Paul Gill, Cardiff University, UK</i>
Symposium 6 Abstract number 0223 Title: Exploring decision making regarding future care planning with older people living with frailty Lead: Professor Caroline Nicholson, School of Health Sciences, University of Surrey, UK		
Paper 1: Prospective Planning for Escalation of Care and Treatment (ProsPECT). <i>Mr Adam Lound, Imperial College, UK</i>	Paper 2: Conversations on Living and Dying: Facilitating advance care planning with older people living with frailty (CLaD). <i>Dr Sarah Combes, University of Surrey & St. Christopher's Hospice, UK</i>	Paper 3: Supporting decision making and best practice in end-of-life care for older people living with frailty – The Cascade Project. <i>Mrs Helen King, St. Christopher's Hospice, UK</i>

8.30-9am **Browse the platform, networking, exhibition and poster viewing**
If you have a question relating to a poster, please contact the presenter direct using the messaging feature of the Hopin platform.

9.05-9.10am **Chair's welcome to Day 2, keynote introduction**

9.10-9.55am **Keynote presentation:**
 Professor Ben Hannigan, Mental Health Nursing, Director of PGR, School of Healthcare Sciences, Cardiff University

10-10.55am Session 3 Concurrent papers

	10 – 10.25am		10.30 – 10.55am
31 Theme: Public & Patient Involvement Chair:	3.1.1 Abstract number 0169 The value of patient and public involvement in doctoral research: Involving people living with dementia. <i>Catherine Smith, School of Healthcare Sciences, Cardiff University, UK</i>	5 minutes transition break	3.1.2 Abstract number 0194 Relational leadership in the NHS: How healthcare leaders identify with public engagement. <i>Rachel Hawley, NHS Leadership Academy (Associate), UK</i>

3.2 Theme: Service Innovation, e-health Chair:	3.2.1 Abstract number 0155 Nurses' use of digital technologies during the COVID-19 pandemic: Results of a national survey. <i>Dawn Dowding, University of Manchester, UK</i>	3.2.2 Abstract number 0347 Findings from an evaluation: Does taking part in a virtual Interdisciplinary Preceptorship Programme increase support, confidence and knowledge for Newly Qualified Practitioners during the COVID-19 pandemic. <i>Maureen Smojkis, Active Listening for Wellbeing CIC, UK</i>
--	--	---

11-11.25am

Comfort break – networking, exhibition and poster viewing

If you have a question relating to a poster, please contact the presenter direct using the messaging feature of the Hopin platform.

11.25am-12.50pm **Session 4 Concurrent papers**

	11.25 – 11.50am		11.55 – 12.20pm		12.25 – 12.50pm
4.1 Theme: Public Health Chair:	4.1.1 Abstract 0152 What are the experiences of black African and black African Caribbean males during the transition to fatherhood? <i>Sarah Turner, RCSI - Bahrain</i>	5 minutes transition break	4.1.2 Abstract 0202 Exploring the preferences for timing of deinfibulation surgery and views of NHS female genital mutilation care provision with survivors, men and health care professionals across the UK: The FGM Sister Study. <i>Laura Jones, University of Birmingham, UK</i>	5 minutes transition break	4.1.3 Abstract 0323 The DASH Study (Digital Interventions for Adolescent Sexual Health): Methodological challenges in making young people's voices heard. <i>Clare Bennett, Cardiff University School of Healthcare Sciences, UK</i>
4.2 Theme: Children & Young People Chair:	4.2.1 Abstract number 0210 A systematic literature review and evidence synthesis to explore the barriers and facilitators to good oral health of children whilst in hospital. <i>Claire Jennings, Royal Manchester Children's Hospital, UK</i>		4.2.2 Abstract number 0283 The supportive nature of safeguarding supervision during a global pandemic - results of a wider ethnographic PhD study, evaluating mandatory safeguarding supervision for health visitors working with vulnerable children and their families. <i>Michelle Moseley, Cardiff University School of Healthcare Sciences, UK</i>		4.2.3 Abstract number 0284 How children and young people with chronic pain and their families live with pain and perceive pain treatments and services - a meta-ethnography. <i>Emma France, University of Stirling, UK</i>

12.50 - 2.05pm

Lunch, exhibition viewing, poster judging and viewing

Posters are available to view in the Exhibition area of the Hopin platform.

Please note: Poster tours are not available to view online. If you have a question relating to a poster, please contact the presenter direct using the messaging feature of the Hopin platform.

2.05 – 3.35pm **Session 5 Concurrent papers**

	2.05 – 2.30pm		2.35 – 3pm		3.05 – 3.30pm
5.1 Theme: research delivery Chair: Optimising research delivery	5.1.1 Abstract number 0096 Delivering COVID-19 research during the UK pandemic: Experiences of a local research taskforce. <i>Siobhan Gardiner, University of Oxford, UK</i>	5 minutes transition break	5.1.2 Abstract number 0265 Engaging a diverse population in research to understand support needs in cancer screening in Wales. <i>Juping Yu, University of South Wales, UK</i>	5 minutes transition break	5.1.3 Abstract number 0203 Support, Resist, Avoid: Uncovering the factors influencing research delivery relations in the NHS. <i>Linda Tinkler, The University of Sheffield, UK</i>
5.2 Theme: Mental Health Chair:	5.2.1 Abstract number 0139 Exploring nurses' experiences of value congruence and the perceived relationship with wellbeing and patient care and safety: A qualitative study. <i>Alice Dunning, Yorkshire Quality and Safety Research Group, UK</i>		5.2.2 Abstract number 0140 Understanding the processes of nurse redeployment during the COVID-19 pandemic and their impact on nurses: Lessons from the frontline. <i>Alice Dunning, Yorkshire Quality and Safety Research Group, UK</i>		5.2.3 Abstract 0252 Self-reported health and wellbeing amongst the nursing and midwifery workforce in Wales during the COVID-19 pandemic: A cross-sectional survey. <i>Aimee Challenger, Research and Evaluation Division, Public Health Wales, UK</i>

- 3.35-4.00pm Comfort break, networking, exhibition and poster viewing
- 4.00-4.15pm Conference Awards
RCN International Nursing Research Conference 2023 and Chair's closing remarks
Chair's closing remarks
- 4.20pm Close of conference

Posters

Posters will be available to view on both days of the conference in the exhibition area of the Hopin platform

Poster Group A Theme: Acute & Critical Care
Poster number 2 Abstract Number 0305 The utility and impact of Advanced Nurse Practitioners in surgical specialities: A scoping review. <i>Anna Riley, The University of Sheffield, UK</i>
Poster number 3 Abstract Number 0314 Memory-making in critical care: A qualitative thematic synthesis. <i>Doreen MacEachen, NHS Greater Glasgow and Clyde, UK</i>

<p>Poster number 4 Abstract Number 0198 People with tracheostomy after stroke. A secondary analysis of demographic and outcome data from within the United Kingdom. <i>Sally Galt, Robert Gordon University, UK</i></p>
<p>Poster number 5 Abstract No: 0234 CVAD dressing security for promoting CVAD safety in paediatrics. <i>Bethan Stone, Bristol Royal Hospital for Children, UK</i></p>
<p>Poster Group B Theme: Children & Young People</p>
<p>Poster number 6 Abstract Number 0261 Exploring the experiences of children and young people taking part in eye and vision research. <i>Jacqueline Miller, City, University of London, UK</i></p>
<p>Poster number 7 Abstract Number 0081 Caring for paediatric research participants when clinical trials prematurely terminate: A protocol review. <i>Helen Pluess-Hall, University of Bath, UK</i></p>
<p>Poster number 8 Abstract No: 0351 A systematic, integrative review exploring specialist paediatric professionals' experiences of emerging safeguarding concerns in practice. <i>Diana Yardley, Oxford Brookes University, UK</i></p>
<p>Poster number 9 Abstract No: 0364 The experience of parents whose baby is diagnosed antenatally with a life-limiting or life-threatening condition: A meta-ethnography. <i>Michael Tatterton, The University of Bradford, UK</i></p>
<p>Poster number 10 Abstract Number 0276 Neonatal organ donation: A retrospective audit into potential donation at a UK tertiary level neonatal unit. <i>Faizah Ali, University College London Hospital, UK</i></p>
<p>Poster Group C Theme: Mixed Methods</p>
<p>Poster number 11 Abstract Number 0326 Nursing students' attitudes on caring for people living with HIV/AIDS in the UK. A cross sectional study. <i>Theodora Stroumpouki, Kingston University, Faculty of Health, Social Care and Education, UK</i></p>
<p>Poster number 12 Abstract Number 0337 Experiential learning during work: A qualitative interview study of caregivers in learning disability? <i>Jane Greaves, University of Northumbria, UK</i></p>
<p>Poster number 13 Abstract Number 0214 Student evaluation of participation in primary research using visual representation. <i>Emma Johnston Smith, Liverpool John Moores University, UK</i></p>
<p>Poster number 14 Abstract Number 0219 General Practice Nurses taking 'best' evidence into general practice. <i>Andrew Finney, Keele University, UK</i></p>
<p>Poster number 15 Abstract Number 0356 Psychometric validation of the Nursing Professional Competence Scale among Italian nurses and Albanian nursing students. <i>Ippolito Notarnicola, Centre of Excellence for Nursing Scholarship, UK</i></p>

Poster Group D
Theme: Patient Experience

Poster number 16 Abstract Number: 0329

Capturing complexity. The relational nature of the maternal experience over time, using qualitative longitudinal research.

Jane Peters, University of Plymouth, UK

Poster number 17 Abstract Number 0165

Understanding the experiences and wellbeing needs of people who access integrated health and social care in the community: an integrative review.

Louise Henderson, Robert Gordon University, UK

Poster number 18 Abstract Number 0350

The patient at the heart of educational research - establishing a patient research group in higher education.

Lesley Scott, University of Sunderland, UK

Poster number 19 Abstract Number 0182

Service user involvement in recovery-oriented care planning

Thomas John, University of Kent, UK

Poster Group E
Theme: Cancer

Poster number 20 Abstract Number 0303

Patients' experiences of cancer immunotherapy with immune checkpoint inhibitors: A systematic review and qualitative evidence synthesis.

Tessa Watts, Cardiff University School of Healthcare Sciences, UK

Poster number 21 Abstract Number 0204

The role of nurses in supporting the psychosocial support needs of women with breast cancer in Saudi Arabia: A case study.

Manal Slagour, The University of Manchester, UK

Poster number 22 Abstract Number 0361

Patient-reported severity of physical symptoms among patients with cancer in West Java Province, Indonesia.

Chandra Isabella Purba, School of Medicine, Dentistry & Nursing, University of Glasgow, UK & Universitas Padjadjaran, Indonesia

Poster number 23 Abstract No: 0332

The nature, scope and use of web-based interventions for patients with head and neck cancer: A scoping review.

Rosemary Kelly, Ulster University, UK

Poster number 24 Abstract Number 0359

Determinants of antibiotic abuse and misuse among Nigerian health professionals: A mixed method study.

Joel Faronbi, Academy of Nursing, University of Exeter, UK

Poster Group F
Theme: Workforce, Employment and Technology

Poster number 25 Abstract Number 0207

Careers advice for aspiring clinical academic nurse and midwife leaders: Development and evaluation of a clinical academic careers advisory service.

Alison Richardson, University of Southampton, UK

Poster number 26 Abstract Number 0157

Embedding Research In Care (ERIC) units: Increasing research engagement amongst clinical staff.

Maggie Shepherd, Royal Devon and Exeter NHS Foundation Trust, UK

<p>Poster number 27 Abstract Number 0227 Effective data capture as an enabler in research capacity building activities: Developing and implementing The Newcastle upon Tyne Hospitals Nursing, Midwifery and Allied Health Professionals (NMAHP) Research Dashboard. <i>Linda Tinkler, The Newcastle upon Tyne Hospitals NHS Foundation Trust, UK</i></p>
<p>Poster number 28 Abstract Number 0312 Development of a new research competency framework for clinical research nurses and midwives. <i>Claire Harris, Guy's and St Thomas NHS Foundation Trust, UK</i></p>
<p>Poster number 29 Abstract Number 0251 E- Hospital Management System. <i>Habib Ullah Jamil, Institute of Human Health and Medical Sciences, Pakistan</i></p>
<p>Poster number 30 Abstract Number 0229 Evaluation of the impact of the use of a caseload management tool (MaST) in Mersey Care NHS Foundation Trust. <i>Emily Palmer, Holmusk, UK</i></p>
<p>Poster Group G Theme: Systematic Review</p>
<p>Poster number 31 Abstract Number 0208 Are Operating Theatre Practitioners being effectively engaged and utilised to support the agile adaptive capacity of healthcare organisations during disaster response? A scoping review. <i>Jennifer Klunder-Rosser, The University of Sheffield, UK</i></p>
<p>Poster number 32 Abstract Number 0258 Urban impact on the development, perpetuation and mitigation of psychosis: A scoping review of the participatory evidence. <i>Mark Batterham, Avon & Wiltshire Mental Health Partnership NHS Trust, UK</i></p>
<p>Poster number 33 Abstract Number 0205 Nurses' experiences of caring for severely ill patients during infection outbreaks (pandemic / epidemic): A Mixed Methods Systematic Review. <i>Eunice Temeng, Cardiff University School of Healthcare Sciences, UK</i></p>
<p>Poster number 34 Abstract Number 0012 “SERVICE”: A strategy to appraise and value evidence-based practice. <i>Chrysi Leliopoulou, Middlesex University, UK</i></p>
<p>Poster Group H Theme: Qualitative Approaches</p>
<p>Poster number 35 Abstract Number 0281 Cultural Probes: A research method to facilitate palliative and end of life care research. <i>Louise Bolton, University of Sheffield, UK</i></p>
<p>Poster number 36 Abstract Number 0339 Nurse involvement in the implementation of a quality improvement initiative. <i>Dominic Roche, Cardiff University School of Healthcare Sciences, UK</i></p>
<p>Poster number 37 Abstract Number 0114 Trapped in a pre-registration void: Harnessing the expertise of overseas nurses working as unregistered practitioners in the UK. <i>Dilla Davis, University of Salford, UK</i></p>
<p>Poster number 38 Abstract Number 0010 Older registered nurses working in United Kingdom healthcare – where to from here? <i>Susan Smith, Anglia Ruskin University, UK</i></p>
<p>Poster number 39 Abstract Number 0235 Nurses' views on the use of physical restraints in intensive care: A qualitative study. <i>Federica Canzan, University of Verona, Italy</i></p>
