

Map of York Racecourse

Directions as you enter York Racecourse

On approach to the racecourse, you will see a red brick corner wall which leads into a long brick wall. There is a wedding board located here and a sign which says Owners and Trainers/Grandstand & Paddock.

As you travel down the red brick walled perimeter road, you will see on the right the white pillared “Marble Entrance”. Please continue past the Marble Entrance until you see the **Houghton Building** on the right-hand side. Once you have exited the Houghton Building, head straight through the courtyard. You will see the Knavesmire Stand straight ahead.

Enter via the Houghton Building. As you exit this building, the Knavesmire Stand will be directly in front of you.
