

RCN International Nursing Research Conference 2024

Information for poster tour leaders

Thank you for agreeing to lead a poster tour.

Please familiarise yourself with the abstracts and posters you will be leading the tour for.

The programme and book of abstracts can be viewed online at <https://irnc2024.exordo.com/programme>

You will have up to 8 posters, which will all be located in the foyer.

Posters tours are a maximum of 35 minutes. (We have added an additional 5 minutes to allow for introducing the speakers)

- At each poster, introduce the poster presenter and ask the poster presenter to summarise their work.
- To keep the tours manageable and engaging, dependent on the number of posters in your tour, we are suggesting a maximum of 3 - 5 minutes per poster.
- Feel free to increase the time for each presenter if you only have a small number of posters in a tour.
- Encourage interested delegates wanting further discussion or information to return to the posters after the tour during the next refreshment break.
- Please keep presenters to time.

Remember, it is your opportunity to encourage presenters to promote the key aspects of their work, and explore areas for further development.

In addition to the guided tours, all conference delegates will be afforded the opportunity to vote for a poster of the day via the mobile conference app. Please encourage delegates to vote.
