Posters form an important part of the conference programme and time has been allotted in the programme for delegates to view.

- Your poster will be displayed for one full day of the conference and included in a poster tour.
- You are required to stand by your poster during the poster tour that includes your poster as participants will want to network and engage with you.
- **Poster tours** take place during the extended lunch break, precise times will be given in the conference programme. This is your opportunity to provide a brief 3 minute summary to delegates.
- A poster display board will be available at the conference. You have been allocated a poster number in the programme, which will be shown on your poster display board.
- Please bring enough Velcro (hook) to attach your poster to the board.
- You are responsible for displaying your poster and taking it down at the end of the day. Any posters remaining will be removed by the events team.
- If you would like to display leaflets, notices etc. on your board you are free to do so but we ask that all information is attached and confined to your poster area only. We recommend using a QR code to signpost to further information.
