

## RCN International Nursing Research Conference 2025

### Information for poster tour leaders

---

Thank you for agreeing to lead a poster tour.

Please familiarise yourself with the abstracts and posters you will be leading the tour for.

The programme and book of abstracts can be viewed online at  
<https://inrc2025.exordo.com/programme/sessions/2025-09-08>

You will have up to 8 posters, which will all be located in the foyer.

Posters tours are a maximum of 35 minutes. (We have added an additional 5 minutes to allow for introducing the speakers)

- At each poster, introduce the poster presenter and ask the poster presenter to summarise their work.
- To keep the tours manageable and engaging, dependent on the number of posters in your tour, we are suggesting a maximum of 3-5 minutes per poster.
- Feel free to increase the time for each presenter if you only have a small number of posters in a tour.
- Encourage interested delegates wanting further discussion or information to return to the posters after the tour during the next refreshment break.
- Please keep presenters to time.

Remember, it is your opportunity to encourage presenters to promote the key aspects of their work, and explore areas for further development.

**As a poster tour leader you will be required to nominate the best poster in your tour, which will be shortlisted for the 'Poster of the day' presentation prize.**

**A voting slip will be included on your poster tour clipboard.**

**Please consider the following criteria:**

- Content e.g. organisation of the information, clarity
- Interest e.g. able to provoke discussion
- Visual impact e.g. presentation
