

Clinical Research Nursing at RCN International Nursing Research Conference 2026

Technology and Innovation Centre, University of Strathclyde, Glasgow
Thursday 17 September 2026

Please note these programme details and timings are subject to change.
A final programme will be available online and in the mobile app.

Programme at a glance v1

Wednesday 16 September

4.30 – 5.00pm Optional pre-registration

6.35 – 7.35pm Drinks reception, Glasgow City Chambers

Thursday 17 September

8.00 – 9.15am Registration, exhibition, networking and refreshments

8.15 – 9am

Workshop 1
Inspiring Excellence: Strategies for effective team leadership
Naomi Hickey, Education and Quality Lead, Glasgow Clinical Research Facility

Workshop 2
Seeing the system differently: Participatory methods for mapping nurse retention, wellbeing and workplace experience
Olivia Boulton, PGR, University of Stirling

9.15am

Welcome to day three
Dr Helen Jones, Chair, RCN CRN sub-committee

Room TBC

9.25am	Keynote address: Patient Perspective Speaker to be confirmed			Room TBC
9.55am	Transition break			
	6.1 Clinical Research Nursing – Clinical Research Delivery	6.2 Clinical Research Nursing – Supporting research inclusivity	6.3 Clinical Research Nursing – Reaching underserved populations	
10.05am	37 Sex disparities in cardiovascular trial recruitment and leadership: a single-centre service evaluation Jo Evans, London North West University Healthcare NHS Trust	325 From Intention to Action: Co-Producing Accessible Cancer Clinical Trials with People with Visual Impairment Karen Turner, University of Birmingham Dr Ben Hood, Newcastle Upon Tyne Hospitals NHS Trust	242 Is research participation a genuine choice? A qualitative study exploring ethically minoritised women's participation in perinatal research Holly Lovell, King's College London	
10.30am	Transition			
10.35am	260 Growing the next generation of research active nurses and midwives Janette Dunkerley, North West RRDN	192 Rovers Reach- A football community trust supporting research Dr Alison McLoughlin, East Lancashire Hospitals NHS Trust	617 BRIDGE_AI: Improving communication, access, retention and safety of ethnic minority groups participating in Blood cancer trials through acceptability of novel artificial Intelligence handheld Devices for real-time voice to voice translation (VTV-T). Amparo Domingo-Lacasa, University College Hospitals NHS Foundation Trust	
11am	Refreshments, exhibition and poster viewing			

	7.1 Clinical Research Nursing – Career development and leadership	7.2 Clinical Research Nursing - Education	7.3 Clinical Research Nursing - PPIE
11.30am	362 Developing the Clinical Research Nurse Workforce: From Early Career to Leadership Imelda Mayor, Manchester University NHS Foundation Trust Preethy Ninan, Manchester University NHS Foundation Trust	9 Reimagining Student Nurse Research Placements: A Scalable, Blended Model for Competence and Confidence Nicky Cunningham, South Tees Hospitals NHS Foundation Trust	460 How patient involvement is shaping our research culture and making our research more accessible and inclusive. Kelly Gleason, Imperial College London
11.55am	Transition		
12pm	414 Powered by Curiosity: The EMERGE Model for Advancing Clinical Research Leadership Allan MacRaid, NHS Lothian	72 Bridging the Educational Gap: Development of an Induction Resource for Early Phase Cancer Research Nurses Across the UK ECMC Network Dr Ben Hood, Newcastle Upon Tyne Hospitals NHS Trust Hannah Brown, Cancer Research UK	194 Using Appreciative Inquiry to Co-Design Patient-Centred Improvements in an Oncology Clinical Trials Service: A Patient and Public Involvement and Engagement (PPIE) Initiative Taiwo Oguntoyinbo, Guys and St Thomas' NHS Trust
