

Workshop and networking event proposals are now welcome for the RCN International Nursing Research Conference 2026.

The submission deadline is **Sunday 19 April 2026**

**Criteria / T&Cs for submission:**

1. All workshop/networking contributions should be about a research related issue.

Workshops should align with the conference theme: Research Without Boundaries: Innovation, Collaboration and Global Impact

2. Workshops have been allocated 45 minutes and are provisionally scheduled for the mornings of Wednesday 16 and Thursday 17 September.

3. The workshop programme must complement the conference scientific programme (where all submissions are subject to peer review).

4. Proposals for networking events which are celebratory in nature, or which offer networking opportunities for like-minded delegates are welcome. Workshop events must add value for conference delegates.

5. Proposals submitted by commercial organisations will be considered and subject to approval. A member of the RCN Corporate Relations team will contact the submitter to discuss financial arrangements and branding opportunities.

6. All workshop presenters and networking event leaders must register for the conference. The submitter is responsible for co-ordinating the registration of co-presenters (if applicable).

7. Workshop presenters and networking event leads up to a maximum of five are eligible for the reduced presenter rate. The deadline for booking the reduced presenter rates is 29 June 2026.
