

Introduction to working in health care in wales

Displaced People Nursing Cadet Programme

What's in it for you?

- **Get an insight into healthcare and healthcare careers**
- **Develop your knowledge of healthcare issues**
- **Learn more about careers in the health sector**
- **Get some observational work experience**
- **Have coaching for healthcare interviews**
- **Develop your personal statement and CV**

The Royal College of Nursing (RCN) is offering an opportunity to displaced people in Wales who are refugees or asylum seekers to explore healthcare as a potential career.

Whether you arrived in Wales recently or some years ago, with 350 roles in the NHS, there is likely to be a role perfect for you.
