

# What next for your pay?

In November 2021, the Northern Ireland Executive announced that HSC staff in Northern Ireland will be given a 3% pay rise for 2021-2022. The RCN is consulting you to find out what you think about this pay award.

**The ballot will run from 13 January - 10 February 2022.**

Fair pay is vital to improving staffing levels and providing safe care to patients.
