

# Do you know a rising star?

## Celebrating 70 years of the BAME contribution to health and social care

RCN London Region invites you to nominate a rising star from your BAME Nursing Community, as we celebrate Black History Month, Windrush and 70 years of the NHS.

## Nominate your rising star

A member of staff who:

- goes over and above the call of duty
- is key to the future of nursing (locally and nationally)
- is from a BAME background and/or works within BAME communities
- works clinically in bands 2-7, or role equivalent
- has overcome adversity.

This is an opportunity to recognise and reward nurses, health care support workers and midwives who make outstanding contributions to health and social care.

Please use the attached form to submit your nominations by Sunday 16 September 2018.

If your nominee is chosen you will both be invited to attend the London Region Black History Month event in London on Wednesday 17 October 2018.
