Join us for this day of professional development designed to support you in managing the challenges you face in practice. The programme will cover a broad range of contemporary issues in school nursing and incorporates interactive workshops enabling you to tailor your learning experience to your individual needs.

By attending this conference you will:

- Be updated on latest developments and best practice within children's health and safeguarding practice
- Enhance your professional and practice knowledge, and boost your confidence / competence dealing with unfamiliar situations
- Discover where you can get help and guidance in managing challenging situations
- Take back new information and learning to share with your school
- Meet with other school nurses to share ideas, experiences and network

By participating in this conference you will ensure you keep up to date with the changing needs of today's children and young people to best support their needs.

Conference topics include:

- Children & Young People's Mental Health: prevention and detection
- Resilience in the school setting
- Safeguarding / child protection responsibilities
- Managing diabetes, anaphylaxis and allergies in schools
- Consent, confidentiality and record keeping
- Resources and support for the school nurse.

Is this conference suitable for me?

This conference is aimed at all nurses working in schools and educational settings, including those from academies, independent, free and boarding schools, as well as those undertaking their SCPHN – School Nursing qualifications.
