Join us as we explore how leadership can inspire, motivate and engage current and future nursing staff whilst addressing the challenges of recruitment and retention in the nursing profession. Discover how you can fulfil your leadership potential and support the development of tomorrow’s leaders.

• Hear from inspiring leaders sharing their experiences of managing change, supporting health and wellbeing in the workplace and motivating staff to make positive changes that enhance nursing at organisational and clinical level.
• Discover what other educators from clinical and educational settings are doing across the 4 countries. Reflect on how to implement their learning / findings to improve your practice.
• Exchange ideas in a supportive and friendly environment
• Network and collaborate with nurse educators, nursing students and nurse practitioners from across the UK.

By participating in this conference you will be helping to shape the future of nursing leadership in the UK and will return to your workplace stimulated with new ideas to share.
