Join us as we explore the diversity of practice within occupational health nursing. Don’t miss this invaluable opportunity to expand your knowledge and skills whilst remaining professionally up to date on developments in public health and care in the workplace setting.

By attending this conference you will:
- Be updated on the latest occupational health research, practice and policy
- Develop your confidence and competence in legal issues related to practice and OH report writing
- Consider and reflect on how to manage complex cases, including Diabetes. Research and evidence will include a focus on drug and alcohol issues, men’s health and individuals with cognitive decline
- Network with OH professionals from a broad spectrum of industries to share experiences and best practice. Return to your workplace stimulated with fresh ideas to share

This conference is suitable for all nurses and healthcare professionals working in or with an interest in occupational health.
