Please note, programme details and timings are subject to change. The final programme will be provided at the event, in the delegate pack and the book of abstracts will be published on the Research 2019 website in and available to download in due course. Co-presenters and co-authors for all sessions will be included in the book of abstracts.

Tuesday 3 September 2019

08.30-10.00am Registration, refreshments, exhibition and poster set-up and viewing

10.00-10.20am Welcome and introduction to the conference
Conference Chair: Professor Daniel Kelly FRCN, Royal College of Nursing Chair of Nursing Research, School of Healthcare Sciences, Cardiff University, Wales, United Kingdom

Welcome to Sheffield
Chris Morley, Chief Nurse, Sheffield Teaching Hospitals NHS Foundation Trust, U.K

Welcome from RCN President
Professor Anne-Marie Rafferty CBE FRCN, President Royal College of Nursing, UK

10.20-11.00am Keynote:
Professor Hugh P McKenna, Dean of Medical School Development at Ulster University

11.00-11.30am Refreshments, exhibition viewing poster judging and viewing

11.30am–12.55pm Concurrent papers
Session 1

| 1.7 | Theme: Patient outcomes  
Chair: Bridie Kent | 1.7.1 | Abstract number 0461  
A sequential mixed methods study to develop a sarcoma-specific patient-reported outcome measure  
Rachel Taylor, University College London Hospitals  
NHS Foundation Trust, U.K | 1.7.2 | Abstract number 0251  
Exploring identity and social support in recovery through photovoice  
Sarah Rhynas, The University of Edinburgh, U.K | 1.7.3 | Abstract number 0275  
Developing a theory-based intervention manual to enhance self-care of patients with heart failure  
Oliver Herber, Heinrich Heine University  
Dusseldorf, Germany |

1.00-1.55pm  
Lunch, exhibition viewing, poster judging and viewing  
*Presenters will be at their posters from 1.25 - 1.50pm*

1.55-3.25pm  
Symposia sessions

**Symposium 1**  
Room  
*Abstract number 0179*

**Intervention studies to support compassionate care in practice: context, methodology and outcomes**  
Prof. Jill Maben, University of Surrey, U.K

**Paper 1:** CLECC and Schwartz Rounds: design and delivery of two intervention studies in compassionate care  
Jackie Bridges, University of Southampton, UK

**Paper 2:** Creating Learning Environments for Compassionate Care (CLECC): developing and evaluating the feasibility of a complex intervention  
Jackie Bridges, University of Southampton, UK

**Paper 3:** A realist evaluation of Schwartz Centre Rounds: how interventions may work differently in different contexts and why  
Prof. Jill Maben, University of Surrey, U.K

**Paper 4:** Intervention studies to support compassionate care in practice: a panel discussion  
Prof. Jill Maben, University of Surrey, U.K

**Symposium 2**  
Room  
*Abstract number 0262*

**Developing research capacity in nursing, midwifery, allied health and social care: collaborative approaches**  
Dr Josephine Gibson, Senior Lecturer, Senior Research Fellow (Qualitative Methods), University of Central Lancashire

**Paper 1:** Evaluation of a research internship scheme for health care practitioners  
Anne-Marie Timoroka, Clinical Academic Intern – Hydration in Acute Stroke Care, Lancashire Teaching Hospitals NHS Foundation Trust

**Paper 2:** Everybody wants to be a ‘CAT’ – developing a clinical academic trainee scheme  
Philippa Olive, Lancashire Teaching Hospitals NHS Foundation Trust, U.K

**Paper 3:** From staff nurse to NIHR doctoral fellow.  
Alison McLoughlin, University of Central Lancashire, U.K

**Paper 4:** Building research capacity aligned with health and social care partners’ priorities  
Colette Miller, Stroke Research Team, University of Central Lancashire

**Symposium 3**  
Room  
*Abstract number 0217*

**Person-centred Practice Research for Personal Transformation and Service Innovation.**  
Jan Dewing, Queen Margaret University Edinburgh, U.K

**Paper 1:** Philosophical and methodological foundations for person-centred  

**Paper 2:** Building capacity for transformation of person-centred cultures in a large  

**Paper 3:** The journey towards a person-centred culture in a  

**Paper 4:** A national programme to enable cultures of  

**Paper 5:** Future impact: building nursing research capacity in person-centred
### Symposium 4 Room

**Development and implementation of an intervention to increase retention and decrease burnout of early career nurses**

Judy Brook, City, University of London, U.K

**Abstract number 0476**

**Paper 1:**
Characteristics of successful interventions to increase retention of nurses: a systematic review
Judy Brook, City, University of London, U.K

**Paper 2:**
Co-production of a nurse retention intervention with students and early career nurses: challenges and successes
Jennie Brown, Author Presenter
City, University of London, U.K

**Paper 3:**
Feasibility of an intervention to improve early career nurse retention and reduce burnout.
Judy Brook, City, University of London, U.K

**Paper 4:**
Exploring the use of self-drawn network diagrams to identify social capital and support in practice
Julie MacLaren, City, University of London, U.K

### Symposium 5 Room

**Knowledge Mobilisation through 'Collective Making' in nursing and health services research**
Daniel Wolstenholme, Sheffield Teaching Hospitals NHS Foundation Trust, U.K

**Abstract number 0375**

**Paper 1:**
'Collective Making': A contribution to knowledge mobilisation practice
Daniel Wolstenholme, Sheffield Teaching Hospitals NHS Foundation Trust

**Paper 2:**
Using participatory approaches to develop tools to help primary care nurses support women victims of domestic violence from black and ethnic communities
Parveen A Ali, University of Sheffield

**Paper 3:**
Enhancing the uptake of exercise after stroke: START (Small Task Aid Recovery Time)
Daniel Wolstenholme, Sheffield Teaching Hospitals NHS Foundation Trust, U.K

**Paper 4:**
Avachat: Co-designing a virtual agent to support self-management for individuals living with physical and mental comorbidities
Cheryl Grindell, Sheffield Teaching Hospitals NHS Foundation Trust

7pm Networking events

**Networking event 1**
**UK Nursing Professorate Networking Event**
Venue: Please join us for drinks in the bar at the Mercure Sheffield St Paul's Hotel, 119 Norfolk St, Sheffield S1 2JE at 7pm – just down the road from the conference venue.
For those able to stay on, there will also be the opportunity to have supper at the restaurant next door to the hotel: Ego Mediterranean Restaurant, 88 Surrey Street, Sheffield, S1 2LH
Stay for as long or as short a time as you are able to.

<table>
<thead>
<tr>
<th>Prof. Alison Twycross Kent, London South Bank University and Prof. Bridie Kent, Executive Dean, Faculty of Health and Human Sciences, University of Plymouth, UK</th>
<th>Purpose of event: This networking event for UK-based and visiting international nursing professors will provide an opportunity for professors of different experience levels to meet and network.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Target audience: UK-based and visiting international professors of nursing (and professors who are nurses).</td>
<td>Expected outcomes: to facilitate the development of productive and supportive (including mentor/mentee) professional relationships between experienced and less experienced nursing professors.</td>
</tr>
</tbody>
</table>
Networking event 2
PhD/Early Career Researcher social

Dr Rachel King,
Research Associate,
The University of Sheffield, UK
(awarded Early Careers Researcher)

Please join other PhD/Early Career Researchers for their conference social, aimed at creating networks and meeting your peers as well as sharing experiences and exchanging ideas…

Venue: The Sheffield Tap, 1b Sheffield Station, Sheaf St, Sheffield S1 2BP

Wednesday 4 September 2019

8.00 – 9.00am Fringe events

Fringe event 1
Dr Emily Wood, Research Fellow and Dr Rachel King, Research Associate, The University of Sheffield

Advanced Nursing Practice: sources of support, sources of concern

Fringe event 2
Dr Margaret M. Dunham, Senior Lecturer in Nursing and Pain Management and John Freeman, Principal Lecturer and Faculty Quality Coordinator in Mental Health Nursing, Sheffield Hallam University

Research Informed Teaching- Incorporating current research into preregistration nurse education

Fringe event 3
Dr Rachel Taylor, on behalf of the RCN Research Society and Judith Holliday, on behalf of NIHR CLAHRC YH

Capturing the impact of nursing research: VICTOR and the role of the RCN

Fringe event 4
Tracey Williamson - DCC Professor of Family Care in Dementia
Association for Dementia Studies, University of Worcester

Tech for Good? The place of tech in supporting persons with dementia and family carers

Fringe event 5
Clare Meachin, Associate Director of Nursing at the NIHR and 70@70 Programme Director

NIHR 70@70 leadership programme

8.30-9.10am Refreshments, exhibition viewing, poster set-up and viewing

What do incident reports tell about communication related to medication incidents? Tiina Syyrilä, University of Eastern Finland |
| | 5.6.3 | Abstract number 0078
A meta-synthesis of how registered nurses make sense of their lived experiences of medication errors Efstratios Athanasakis, Nottingham University Hospital, U.K |

| Theme: Advanced Practice | 5.7 | Chair: Gearóid Brennan | 5.7.1 | Abstract number 0245
Situated learning in discharge decision making. An ethnographic study of ANPs in the ED Rachel King, The University of Sheffield, U.K |
| | 5.7.2 | Abstract number 0171
The Advanced Level Nursing Practice Cohort Study Emily Wood, The University of Sheffield, U.K |
| | 5.7.3 | Abstract number 0212
The identification of complex processes, delivered by palliative care clinical nurse specialists, that benefit patients in acute settings. A literature review. Alison Humphrey, Sheffield Teaching Hospitals, U.K |
### Symposium 6

**Room**

**The pyramid of evidence: challenges and opportunities for nursing research**  
Dr Susanne Cruickshank, University of Stirling, UK

**Chair:**

<table>
<thead>
<tr>
<th>Paper 1:</th>
<th>Paper 2:</th>
<th>Paper 3:</th>
</tr>
</thead>
</table>
| A systematic review and narrative summary of workplace-based interventions to increase breast mammography screening uptake: implications for research in Saudi Arabia  
Manal Hakami, University of Stirling, U.K | Opportunities and challenges when updating Cochrane reviews: Specialist breast care nurses for supportive care of women with breast cancer  
Tamara Brown, University of Stirling, U.K | Acceptability of Specialist Breast Cancer Nurses to embed a fear of cancer recurrence intervention in their daily practice: how can normalisation process theory help?  
Susanne Cruickshank, University of Stirling, U.K |

### Symposium 7

**Room**

**Single site approach to developing clinical academic careers: strategy, personal and organisation impact**  
Faith Gibson, Great Ormond Street Hospital for Children NHS Foundation Trust and University of Surrey, UK

**Chair:**

|-----|-----|-----|-----|
| Clinical Academic Careers for nurses/AHPs: building a strategy for success  
Kate Oulton, Great Ormond Street Hospital for Children NHS Foundation Trust, U.K | Why would anyone move from a ‘Structured, busy, demanding managerial Matron role’ to an ‘Unstructured creative, exploratory, indulgent PhD student role’?  
Polly Livermore, Great Ormond Street Hospital for Children NHS Foundation Trust and University of Surrey, U.K | Being in the right place at the right time: Going Digital – The implementation of EPIC Electronic patient records (EPR) and its impact on patients, parents and staff  
Pippa Sipanoun, Great Ormond Street Hospital for Children NHS Foundation Trust and University of Surrey, U.K | Clinical Academic Careers for nurses/AHPs: have we turned the corner yet, yes/no?  
Faith Gibson, Great Ormond Street Hospital for Children NHS Foundation Trust and University of Surrey, U.K |

### Symposium 8

**Room**

**SCHOLARLY PUBLISHING AND RESEARCH IMPACT: A tribute to James P Smith**  
Roger Watson, University of Hull, UK

**Chair:**

|-----|-----|-----|-----|
| Views on research impact in nursing and publishing  
Alison Tierney, University of Adelaide, Australia | Measuring the impact of published research  
Roger Watson, University of Hull, UK | Research outputs and impact in the REF: a quality relationship  
Hugh McKenna, University of Ulster, UK | Postgraduate research students and early career researchers and the publication process  
Parveen A Ali, University of Sheffield, UK |

### Symposium 9

**Room**

**Retention of newly qualified nurses (NQNs) in the UK National Health Service (NHS)**  
Dr Jane Wray, University of Hull, UK

**Chair:**

|-----|-----|-----|-----|
| Retention of newly qualified nurses (NQNs); a Rapid Evidence Assessment (REA)  
David I Barrett, University of Hull, U.K | Perspectives on support during the transition from student to Newly Qualified Nurse (NQN): views of students, NQNs, academics and clinical managers  
Jane Wray, University of Hull, U.K | Job Embeddedness: towards a Theory of Retention in Newly Qualified Nurses/Midwives  
Dr Rosie Stenhouse, The University of Edinburgh, U.K | A qualitative study of experiences of online peer support for newly qualified nurses (NQNs)  
Analisa Smythe, Birmingham and Solihull Mental Health NHS Foundation Trust, U.K |
### Symposium 10 Room 10

**Transitions from paediatric to adult health services for people with complex intellectual disabilities: learning from carers and nurses**  
Dr Juliet MacArthur, NHS Lothian, UK  
Chair:

| **Paper 1:** Setting the international context on transitions: a fragmented landscape for young people with intellectual disabilities and their families. | **Paper 2:** The views and experiences of families of young adults with intellectual disabilities in Scotland  
Anna Higgins, Edinburgh Napier University, U.K | **Paper 3:** The nursing role in effective transition planning for young adults with intellectual disabilities  
Michael Brown  
Author Presenter  
Queen’s University Belfast  
Michael Brown, Queen’s University Belfast, U.K | **Paper 4:** The development and piloting of an educational resource “Transitions from child to adult’s healthcare for young adults with learning disabilities” for nurses.  
Anna Higgins, Edinburgh Napier University, U.K |

---

### Symposium 11 Room 11

**Time for Dementia**  
Dr Stephanie Daley, Clinical Research Fellow, Sussex Partnership NHS Foundation Trust  
Chair:

| **Paper 1:** Time for dementia: a new model of undergraduate healthcare dementia education?  
Dr Stephanie Daley, Clinical Research Fellow, Sussex Partnership NHS Foundation Trust | **Paper 2:** Whole sight: new ways of seeing dementia resulting from relational learning with people living with dementia  
Wendy Grosvenor, University of Surrey, U.K | **Paper 3:** The challenges and facilitators involved in embedding and replicating the Time for Dementia Programme in different HEI sites  
Yvonne Feeney, Brighton and Sussex Medical School, U.K | **Paper 4:** Student nurse preferences for working with people with dementia.  
Molly Hebditch, Brighton and Sussex Medical School, U.K |

---

5.15pm onwards  
**Poster tours and welcome drinks reception**

6.15pm  
**Close of day two**

7pm  
**Public Lecture (to be confirmed)**
Thursday 5 September 2019

08.00 – 9.00 am  Fringe/ Networking events

**12.45-1.45pm**
Lunch, exhibition viewing, poster judging and viewing
*Presenters will be at their posters from 1.15 - 1.40pm*

**1.45-3.15pm**
Symposia sessions

### Symposium 12
Room Abstract number 0126
Developing methods used in your research
Chair: Dr Helen Aveyard

| Paper 1: The recruitment of older prisoners within the closed setting of a prison: the concept of anonymity | Paper 2: The recruitment of people who have experienced a bereavement into research studies. | Paper 3: Involving people with dementia in research: a human rights based approach | Paper 4: The use of memory in qualitative research | Paper 5: The collection and analysis of focus group data from different countries and languages |

### Symposium 13
Room Abstract number 0296
Facilitating transformation from within the workplace. Embracing person-centred systems and processes through participatory research.
Chair: Dr Michele Hardiman, Unit Manager, Nurse Practice Development, Research and Education Facilitator, Galway Clinic, UK

| Laura Taheny, Galway Clinic, U.K | | Sinead Hanley, Galway Clinic, U.K | Jan Dewing, Queen Margaret University, U.K |
### Symposium 14

**Abstract number 0496**

**Planting a range of trees and feeding the forest; Describing the different routes to impact of clinical academic career trajectories in clinical research nursing**

Mary Wells, Lead Nurse for Research at Imperial College Healthcare NHS Trust and a Professor of Practice in Cancer Nursing at Imperial College

**Chair:**

<table>
<thead>
<tr>
<th>Paper 1</th>
<th>Paper 2</th>
<th>Paper 3</th>
<th>Paper 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>Leaves may fall, but the tree continues to grow; The story of developing a research career whilst delivering and supporting the research of others.</td>
<td>The bigger the roots, stronger the tree; Undertaking a PhD alongside a clinical research nurse role</td>
<td>Establishing a tree alongside developing saplings</td>
<td>Growing an orchard of clinical academics: harvesting the clinical research nurse apples</td>
</tr>
</tbody>
</table>

### Symposium 15

**Abstract number 0298**

**How do we ensure family carers are supported during end-of-life caregiving? Lessons from a programme of research on carer assessment and support**

Professor Gunn Grande, The University of Manchester, U.K

**Chair:**

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>The Carer Support Needs Assessment Tool (CSNAT) intervention for comprehensive, person-centred assessment and support for family carers: principles and evidence base</td>
<td>Ten recommendations for organisational change to enable person-centred assessment and support for carers during end-of-life care: a mixed methods study</td>
<td>The current provision of assessment and support for family carers within UK hospice services: a national survey.</td>
<td>Exploring the use of the Carer Support Needs Assessment Tool (CSNAT) intervention to support family carers at hospital discharge at end-of-life</td>
<td>Adapting and implementing the Carer Support Needs Assessment Tool (CSNAT) intervention to support carers of people with Motor Neurone Disease</td>
</tr>
</tbody>
</table>

### Symposium 16

**Abstract number 0353**

**Responding to the Problem of Conflict and Containment in Emergency Departments: Towards and Integrated Model of Care**

Prof Marie Gerdtz, Department of Nursing, The University of Melbourne, Australia

**Chair:**

<table>
<thead>
<tr>
<th>Paper 1</th>
<th>Paper 2</th>
<th>Paper 3</th>
<th>Paper 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>Restrictive Interventions in Emergency Departments: An Australian Perspective</td>

<td>Adapting and implementing Safewards for Emergency Departments</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>Catherine Daniel, Department of Nursing, The University of Melbourne, Australia</td>
</tr>
</tbody>
</table>
Catherine Daniel  
Author Presenter  
The University of Melbourne, Australia

Susan Harding,  
Emergency Department/Melbourne Health, Australia

Nurses and Consumers  
Marie Gerdtz,  
Department of Nursing The University of Melbourne, Australia

3.20-3.45pm  
Refreshments and poster viewing

3.45-3.50pm  
Chairs’ welcome back  
Daniel Wolstenholme, Core Project Manager, NIHR CLAHRC YH, Visiting Researcher, Art and Design Research Centre, Sheffield Hallam University

3.50-4.20pm  
Keynote panel discussion:  
What’s next for research, how we translate the evidence on global nursing workforce and safe and effective care into action?

4.20-4.30pm  
RCN Conference 2020/2021 and Chair’s closing remarks

4.30pm  
Close of conference
