If you are a nurse working with Looked After Children and Care Leavers to develop services and secure best outcomes for their optimum health and wellbeing, this event will ensure you are updated on what's happening within this changing health landscape.

- Learn about latest developments within professional practice, policy and law.
- Hear from, and interact with, expert speakers on key issues.
- Consider and highlight best practice at national and local level.
- Network with like-minded professionals from across the UK with shared interests.
- Share ideas and innovative practice which promotes positive health outcomes.

By participating in this conference you will be able to share your experiences, debate national issues and ensure the voice of nursing is heard to help shape the agenda for the care of young people.
