## Virtual platform

All booked participants will be emailed details on how to login to Hopin, our virtual venue, in advance of the event starting.

## For best results

- use a computer if possible
- if using a tablet, please ensure you have downloaded Google Chrome and use this browser to enter Hopin.
- using a personal device reduces the risk of organisational firewalls blocking access
- use Google Chrome or Mozilla Firefox
- close any programmes you don't need or that also use a camera
- open in an incognito window
- if something goes wrong, try refreshing your browser.

There is a short video on how Hopin works:
