

RCN Fertility Nursing Forum Conference 2021

Fertility Nursing through a global pandemic

Tuesday 2 November 2021

Virtual event

Join us for this virtual conference as we explore fertility nursing through a global pandemic.

Brought to you by the RCN Fertility Nursing Forum, this conference is an unmissable opportunity to get the latest updates and developments to enhance your professional practice and improve patient outcomes. There will be the opportunity to network and exchange views with like-minded professionals.

You will hear from expert speakers on a range of topics including:

- Implementing a virtual patient pathway
- Guidance on COVID-19 vaccines and the impact on fertility and early pregnancy
- COVID-19 HFEA regulations and the impact on clinics and patients
- Managing patient expectations through a global pandemic
- Covid fatigue, redeployment and mental health and wellbeing – the impact on nursing staff
- COVID-19 and the impact on fertility funding and waiting times

Who should attend?

This conference will be of interest to nurses, midwives and health care assistants working in women's services and reproductive health both within the NHS and independent sector.

What have previous RCN Fertility Nursing Forum Conference delegates said about the event?

I left with such a swirling head of ideas how we could implement change & improve support & patient experience I had to write them all down... Thank you for such a brilliant day!

Best study day for a while

Really enjoyed today's conference, and found the subjects really related to my work as a fertility nurse.

Accrue up to 5 hours of CPD
