Help shape research priorities

The James Lind Alliance (JLA) brings patients, carers and clinicians together in Priority Setting Partnerships (PSPs) to identify and prioritise the Top 10 uncertainties, or unanswered questions, about the effects of treatments. The aim of this is to make sure that health research funders are aware of the issues that matter most to patients and clinicians. PSPs that are currently seeking your input include.

- [heart surgery](#)
- [revision knee replacement](#)
- [hyperhidrosis](#)
- [safe care for adults with complex health needs](#).

Alternatively, visit the [James Lind Alliance website](#) for a complete list of priority setting partnerships.

Research in Wales

The Wales Centre for Primary and Emergency Care Research annual meeting takes place on 26 November 2018 in Pontypridd. An elevator pitch-style session on research innovation and dangerous ideas will end the day, and abstracts are invited.

[Submit by 6 October](#)

Competition

Nurses involved in service improvement or clinical research projects in rare diseases or acute and chronic conditions may be interested in a competition launched by Medopad, in honour of the NHS' 70th birthday. Apply by 8 October 2018.
