

The voice of nursing in the UK

## RCN research conference

The RCN is seeking expressions of interest from Research Society members and their employing institutions to host the 2021 RCN research conference in their locality. Please contact Sally Faley for full venue criteria.

[Request information](#)

## Get involved

The RCN has over 30 forums and networks, including the Research Society. Many of them use Facebook groups and Twitter to aid networking and sharing of knowledge. Why not join a forum and help shape the professional voice of the RCN.

## The value of care: women's work and emotional labour

Date: 29 January 2020

Time: 5pm-7pm

Location: London

Information: [See the website](#)

Join us for the launch of a new report on gender, nursing and pay, the result of a collaborative research project between the RCN and Oxford Brookes University.

Expert speakers will share the findings and discuss the issues involved from both historical and contemporary perspectives.

## Workforce

The Health Foundation has published its annual workforce trends report, exploring the NHS workforce in England. The research shows that the health service is increasingly reliant on less-skilled clinical support staff to fill gaps in services when there are not enough nurses.
