RCN Critical Care and In-flight Nursing Forum
Flight Nursing Workshop; Ascending to excellence

Saturday 23 April 2016, RCN Headquarters, 20 Cavendish Square, London, W1G 0RN

This one-day workshop is essential for all nurses and health care professionals working in the field of flight nursing, patient repatriation and retrieval.

The day will include keynote presentations, interactive talks and real life case studies that will:
- explore recent advances in flight nursing and showcase best practice
- share the latest research in the field of flight nursing
- discuss revalidation for independently working flight nurses
- consider the public health implications of flight.

By attending the workshop you will have the opportunity to consider real-life scenarios and best ways to approach these.

You can share your professional experiences and learn from peers within your specialty to develop your own practice.

Programme highlights
- Flight nursing past, present and future – tracing the history of flight nursing in the UK.
- Revalidation for the flight nurse industry.
- Real life case studies: keeping control in challenging work environments.
- Transfers in the commercial airline setting.
