CONGRESS
DEBATES • LEARNING • EXHIBITION 2018
12-15 MAY
WATERFRONT CONFERENCE CENTRE, BELFAST
Welcome

I am delighted to announce our plans for RCN Congress Exhibition, which will be held from 12-15 May 2018 for the first time in Belfast. We will welcome thousands of nurses, midwives, health care assistants and nursing students to learn, develop professionally and share excellent nursing practice.

The exhibition is an integral part of Congress and greatly adds to the overall experience of the event. For our members to meet, network and engage with such a broad portfolio of exhibitors including health care providers, NHS Trusts, training organisations, medical device companies, publishers and universities over three days is a fantastic opportunity.

Congress provides an unrivalled platform for engagement, networking, and communication with the nursing community who are all passionate about the commitment to improve practice and patient outcomes.

With the increasing drive for health care efficiencies, engaging with a nursing audience is more important than ever.

Your support is very much valued and I look forward to meeting with you in Belfast.

Janet Davies
Chief Executive & General Secretary
Why Belfast?

2018 sees the RCN hosting Congress in Belfast for the first time, at the newly refurbished Waterfront Conference Centre.

Belfast has transformed into a vibrant and inspirational meeting place. It is a dynamic, compact city bursting with entertainment, cultural attractions, restaurants, cafes and hotels – all within easy walking distance of Belfast Waterfront.

In 2018 it will be the meeting place where thousands of nurses across the UK will gather for the annual RCN Congress.

Access to Belfast is easy and fast

The city centre is well connected by road, rail and sea transport, and there are two local airports. The Waterfront Conference Centre is just a 10-minute drive from George Best Belfast City airport and 30 minutes from Belfast International airport.
