

The voice of nursing in the UK

Dear Colleague,

With the government lockdown still in place and in order to reduce the risk to our members and the public during the on-going COVID-19 situation, the RCN has taken the difficult decision to cancel all events until the end of 2020 and we are now looking at how we can deliver our autumn events digitally. We will not resume our events programme until we feel it is safe to do so and in consultation with government guidelines.

As a royal college we have a responsibility to play our part in containing the spread of the virus while ensuring the safety of our delegates. We continue to monitor the situation and will not resume our events programme until we feel it is safe to do so and in consultation with government guidelines.

If you have paid a registration fee, you will be reimbursed by our Events Registration Team in due course. Please note that if the booking fee was paid by your employer, the refund will be made directly to your employer using the original payment method.

We apologise for any inconvenience this may cause. Please visit our website in the coming weeks to find out more about our programme of webinars. The events listing will be regularly updated as webinar dates are confirmed.

Best wishes
