Item 5.	<p>Decision and Discussion Items</p> <p>5.1 CPD Money for Nurses – Lynn Batson raised the possible issues surrounding the allocated funds of £1,000 per nurse, every three years for training purposes, and where this might be used.</p> <ul style="list-style-type: none"> • Government need to confirm the criteria of what training the money can be used against. • Guidance from NHS England is needed. • Will the funds go direct to the course providers? • There is a strong need for a national clarification on how funding should be allocated and spent. • Lynn Batson asked the board to be alongside staff sides asking for early conversations and feedback on opinions. • Helen Hancox raised that Livewell received a gender for change pay award. However, NHS England Director of Nursing is not allowing the £1,000 funding for Livewell, therefore the funding not being implemented equally. • This possibly needs to be addressed from the RCN as a College from the top of the Nursing, Policy and Practice Department to relay a clear voice and stance to members and employers. <p><i>ACTION:</i> Jeanette Jones and Jaydee Swarbrick to approach RCN Director of Nursing Susan Masters for a policy statement for the use of the funding for nurse CPD.</p>

	<ul style="list-style-type: none"> • Historically AGM was poor attendance in London; and therefore decided to move to Congress. However due to the AGM at Congress 2019 this is being re-evaluated. • Tony asked the board for their vote if the AGM should remain at Congress or return to HQ. • Leonore Newson added poor attendance and costly when at HQ. Therefore, for numbers attending and reduced cost, keeping at Congress makes overall sense. • In addition, Steve Dunne-Howells agreed as funding in place to attend Congress / AGM. If back into HQ, no funds provided. <p>6.2 VOTE: <i>The board voted and unanimously agreed, YES to keep the AGM at Congress. Comments / feedback noted by Tony Aspinall.</i></p> <p>6.3 Membership category review. The board discussed the suggested change in fees now falling into line with the nurse's role / pay.</p> <p>6.4 VOTE: <i>The board agreed the fees to fall into line with nurse's roles / pay. Comments / feedback noted by Tony Aspinall</i></p> <p>6.5 UK pay policy. Tony Aspinall asked the board group to review the policy and feedback opinions.</p> <ul style="list-style-type: none"> • Jeanette Jones felt the policy was full of standard RCN jargon with no direction, which wouldn't be easily read by the public. <p>6.6 VOTE: <i>not agreeing and feedback form completed by Tony Aspinall with the board views.</i></p> <p>Action; Tony Aspinall to return to Governance the feedback papers on Items 6.2, 6.3 & 6.4</p>

The staff side council continues to meet and the RCN retains the position of secretary on that committee. We will be working to plan the staff side and RCN submissions to the pay review body which we expect to submit to in September. • Tracey Roberts updated on the E-Newsletter that Vita FitzSimons produces which holds a lot of valuable information. Tracey asked for feedback if this the board felt this was a useful newsletter. • In October, the RCN returned to Bristol to join University Hospitals Bristol NHS Foundation Trust to celebrate Black History Month. We would like to showcase the best of nursing and excellent nursing practice. Alongside a programme of inspirational speakers, we would like to include a display with posters from members working in a wide range of nursing services, showcasing their work.
